

# QUALITY QURBANI

**Qurbani is more than just sacrificing animals. It's about personal sacrifice, patience, tolerance, sympathy and Taqwa (Allah consciousness).**

**“It is neither their meat nor their blood that reaches Allah, but it is Taqwa from you that reaches Him.” (Quran, Surah Al Hajj)**

**Assess the quality of your Qurbani by answering the following questions!**

No.	Question	Yes	No
1	Did you <b>sacrifice your time</b> to choose a Shariah compliant animal? (horns, ears, limbs, tail, etc, in order)		
2	Did you <b>pay</b> for your animal <b>on time and willingly</b> or did you pay the amount reluctantly?		
3	Did you make an effort to ensure that you made <b>your own arrangements</b> for: tags, knives, packaging, sharpening of knives, etc.		
4	Did you make an effort to learn the <b>laws &amp; duas</b> of qurbani?		
5	Did you <b>recite the Duas</b> during Qurbani?		
6	Did you exercise <b>patience &amp; tolerance</b> in waiting your turn?		
7	Did you control your <b>temper &amp; tongue</b> when faced with trials?		
8	Did you ensure you were <b>present</b> at the time of sacrifice?		
9	Did you ensure that your carcass was sliced and <b>distributed</b> to family, friends and the poor?		
10	Did you <b>avoid all un-Islamic activities</b> during the Qurbani?
